Quiz

1. This beginning of a story was collaboratively written by my 5th period German 1 class at SHS in the last five minutes of class on Tuesday.

Once upon a time, there was a young man who wanted nothing more than to be a wolf-princess. One day, he found a beautiful, hairy tiara. As he combed it, a powerful, howling genie appeared and said, "Auuuuuu! Was ist Ihr einziger Wunsch?"¹ The young man said, "All my life, all I have ever wanted is to be a wolf-princess and howl at the moon while wearing a pink chiffon dress!" "Mein Gott!"² said the genie, "Sind Sie irrsinnig?!?"³ "No," the young man answered, "just a little fruity." . . .

Please finish the story. Points will be awarded for creativity and coherence of narrative.
